## “Christmas Around the World”

### MESSAGE BOARD

Rafael Hechanova  
Trustee

As we celebrate Christmas this year with the theme **“Christmas Around the World”**, let us not forget the countless people who have so little in life.

It is not only material things that make us as happy as we are blessed with gifts this season, but also the love we show other people.

May the true spirit of **“Christmas Around the World”** reign in our hearts.

Selfless love and understanding will bring **Peace on Earth**.
